## 20 Year Celebrations for the Regent Honeyeater Project

### Saturday 6th December

**12 noon** Arrive for lunch at the Lakeside Community Centre, Benalla Showgrounds. There will be a welcome from the Regent Honeyeater Project Chair, Rob Richardson, and presentation on current project activities from Project Coordinator, Ray Thomas. Lunch is provided.

**1.30pm** Bus trip to Regent Honeyeater Project nursery and adjoining community garden. Hear from nursery manager, Andie, about growing the plants for the project and see how their operation works. Bring your own water bottle.

**2.30pm** Tour of landholder properties to see some of the plantings and the extent of the work over these past 20 years. Hear from Project Coordinator, Ray Thomas, with his knowledge and insights into what has made their project so successful. Afternoon tea provided.

**4.30pm** Return to Benalla and hotels to get ready for dinner.

*These activities are brought to you by the Bjarne K Dahl Trust whose focus is on Australian eucalypts, and who are our partners in the Rural Event [dahltrust.org.au](http://dahltrust.org.au)*

**6pm** 20 Year Celebratory dinner at the Lakeside Community Centre, with guest speaker Cathy McGowan, Independent member for Indi, as well as other presentations. Join us for beautiful local food and wines, as well as music and dancing.

### Sunday 7th December

**10am** Meet at the Lakeside Community Centre to leave on a bus trip for two activities - nest box monitoring and seed collecting techniques. Morning tea provided.

**12 noon** Arrive back at the art gallery for the end of the weekend program.

**Weekend price (excluding accommodation and breakfast) is \$95 per person.**

**Dinner price alone (excluding field trip) is \$30 per person.**

**Saturday field trip and dinner is \$40 per person.**
